PROFILE SUMMARY

Currently, I am pursuing my undergraduate studies at the Informatics Institute of Technology (IIT), affiliated with the University of Westminster, majoring in BSc (Hons) with a specialization in **Computer Science**, with an anticipated graduation in 2027. I am characterized by my unwavering commitment to goal achievement.

Possessing a keen interest in **problem-solving**, I approach tasks with confidence, consistently seeking fresh perspectives to overcome obstacles. My career goal is to become a **UI/UX designer** and **full-stack developer**, combining analytical skills and creativity to craft intuitive and impactful user experiences.
